## ***ABOUT INSPIRED ART***

Inspired Art is a cocktail event and art exhibition resulting from a collaboration between local artists and Boston Scores poet-athletes. The artists create and donate original works that are inspired by poems written by the student-athletes enrolled in Boston Scores after-school programming. Event attendees enjoy drinks and hors d' oeuvres while browsing the artwork and hearing inspirational poetry performances from the students.

Through Inspired Art, students witness their creativity brought to life, artists connect with their community, and supporters see the profound impact these children's words can have on others.

All proceeds from Inspired Art support Boston Scores programming, which helps urban youth build essential life skills and character through soccer and team-based enrichment programs. Boston Scores envisions a world where all youth feel a sense of belonging and achieve their full potential.
