About One Hen

One Hen is our academic curriculum for Middle School students in grades 7-8. The purpose of the One Hen curriculum is to empower all kids to become social entrepreneurs who make a difference for themselves and the world. The *One Hen* program was inspired by the award-winning children's book *One Hen: How One Small Loan Made a Big Difference* by Katie Smith Milway. Guided by the *One Hen* curriculum, students work in teams to conceive a business idea, create a business plan, pitch their idea in front of a panel of community volunteers to apply for a loan, and then manufacture their product and bring it to market for a sell day.

The *One Hen* program meets twice weekly during the 8-week fall Scores season and the 10-week spring Scores season. Each session lasts for 60 minutes. Students participate in *One Hen* in the same 15-boy or 15-girl teams that they play soccer with in the Scores program. We advise that *One Hen* sessions meet prior to soccer practice two days per week.

Responsibilities of the One Hen Coach include:

- Plan and conduct *One Hen* workshops twice a week for 60 minutes per session for 8-week fall season and the 10-week spring season for a team of up to 15 students

- Prepare students to pitch their business plan to a panel of investors at *The Pitch*, our fall end of season event
- Prepare students to sell their products or services during school/community Sell Days and at *Hatch the Future* special event during the Spring season
